2. Claimant's Neighbor Leonard Smith the Vietnam Veteran who testified in LaPorte County Superior Court 1 on ^{June 18th, 2021} Zoom told Judge Oss that the Lady from the City meaning C. Vanderborg told Leonard Smith her friend he could till up my neighbors ^{Easement} that my neighbors never gave Leonard Smith permission and because of C. Vanderborg's Intentional Negligence of telling Leonard to destroy another persons property connected to my property caused a tort of negligence of my property value to decline in value. And Leonard Smith is a decorated Vietnam Veteran who hates pop can flagpoles with American Flags on them so he wouldn't lie to a Judge under oath so all his claims would hold factual support etched in stone. And my neighbor can sue the city for over \$75,000 cause of C. Vanderborg's Intentional Negligence of Leonard Smith tilling up her property on June 9th, 2021. The day I painted the ^{Vokes way}.

3. Another Right to Work Violation of C. Vanderborg telling Claimant on June 1st, 2021 after 11:00 Am that he can't have the box he stores cat food cans that claimant makes stuff out of couldn't have in the front yard of the property claimant owns because claimant was making table legs for claimant's orange Faygo Pop Can Table made out of a door some body threw out probably cause it lowers the neighbors property value, probably having the box in the front yard and me making stuff out of cat food cans. People at City hall making people mail stuff to neighbors if you want to build stuff so they think their property value won't go down. Call the accessor and they never heard of such thing.

Favoritism Leads to Discrimination

4. Claimant was getting group stalked by multiple neighbors and trying to steal claimants easement. Claimant built a block wall because of in the front yard. Leonard Smith had garbage in his yard so claimant thought he had the same right as Leonard Smith to put garbage in claimants yard. On June 1st 2021 C. Vanderborg came to claimants house and committed torts to claimant thinking Claimant was down syndrome whose ^{C. Vanderborgs} desk is right by the guys desk ^{at city Hall} that told me to take down the block wall I built on my side walk cause of the neighbors I can't stand. C. Vanderborg tells me to take a storage shed I had in my front yard to the backyard cause of code violation. I called city Hall and told them about how Leonard's Storage Shed is right next to the house and its a code violation that storage sheds have to be 10 Feet away from the house and C. Vanderborg didn't care so thats another tort violation of Police Misconduct of Favoritism towards their friend who violates the codes of Michigan City and the tort of Discrimination of moving a storage shed to my front yard Under My Human Right to work to grind the plastic siding to reside with cement. That Claimant thought of and developed Claimants own trade and was going to move back to back yard anyway cause claimant didn't want plastic shavings from grinding shed on sidewalk in back of house ^{cause of other stuff}

5. Well after watching the video the Smiths somehow know I was prescribed medicine from 8 years ago from the cops invading my privacy and telling C. Vanderborg that then telling that I need to be taking my prescribed meds to the Smiths now means claimant would like to intend to assert another tort claim for 4th Amendment Violation of Invasion of Privacy. Cause she was the last type of law enforcement over there, saying I'm mental

Incapable for being group stalked or owning a house or working, or being in God.
